APPLYING

It's one thing to hear God's Word, it's another to apply it! Answering the questions on your own before your group meets will help you be fully engaged in the discussion.

Community Group Questions

1. Talk about how "leaders" in the message, refers to more than just people holding a title or position. Who would be the people you are leading in your life?
2. Read the following verses and note what each one says about "suffering". After considering the bigger picture of suffering from these verses, discuss how they help us understand the meaning of "embracing suffering"?
 -  Matthew 10:23 -
 -  Colossians 1:24 -
 -  2 Corinthians 1:4 -
 -  Matthew 5:10 -
 -  1 Peter 3:13-17 -
 -  Philippians 3:10 -
 -  Romans 8:17 -
3. What are the three words used in the sermon which summarize how Paul helped people change? As you think about helping others change, which of these three come naturally to you? Which of these do you find challenging? What are some other words that would describe what we can do to help people change?
4. What are some things from this week's message that can help us think about what we are trying to do as a community group?

REMEMBERING

Memorizing is one of the best ways of making truth stick. You can memorize something if you repeat it enough times. Try reading the verse 5 times a day until it sticks! Choose a part of it for your kids if needed.

Follow my example, as I follow the example of Christ.
