
READING

We believe that regular Bible reading is the most important step we can take to grow spiritually. If you need a tool to help you be consistent, check out the options at the Resource table in the foyer.

PRAYING

This information is intended to help you pray for specific needs in our congregation and the world. Updates to prayer requests for individuals will be added as information is provided.

Pray as Paul did that we learn to abide in Christ: "... so that Christ may dwell in your hearts through faith ..." (Ephesians 3:17a)
"... that you ... may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God." (Ephesians 3:18-19)

For Our Mission

- Pray for open hearts at all of the schools, that they may be prepared to hear and recognize truth when it's shared.
- Pray for every believer in the education system to be burdened and anointed to speak truth boldly and graciously.

For Our World

Pray for the crisis flooding in south India. Water and food shortages, as well as water- and airborne diseases, are a dire threat to the 5,000 relief camps housing over 700,000 people. This immense crisis is only a window into a nation with more human need than any other.

- hundreds of millions live in poverty
- roughly 20 million are orphans
- 40% are malnourished
- roughly 900,000 die every year from unclean water or pollution

But beyond any physical need, is the tragic reality that over 1.2 billion souls have never heard of their only hope for eternity.

For Our Congregation

- Continue to pray for **Ron Harris** as he experienced a fall which resulted in a setback in his recovery and, further, another hospital stay;
- **Doug Gibbs** has been diagnosed with a cancer that has spread to several organs and cannot be successfully treated;
- **Dana Orchard** is on a waiting list for a kidney transplant;
- **Justin Thomas** continues to struggle with some ongoing health issues;
- **Shari**, Ian Houghton's sister-in-law, is on a waiting list for kidney transplant
