
READING

We believe that regular Bible reading is the most important step we can take to grow spiritually. If you need a tool to help you be consistent, check out the options at the Resource table in the foyer.

PRAYING

This information is intended to help you pray for specific needs in our congregation and the world. Updates to prayer requests for individuals will be added as information is provided.

The Lord's Prayer is supernatural. Sure, anyone can parrot the words, but only those who have been internally changed truly desire what it asks for. The words are not a magical incantation. Saying them out loud isn't the goal. Slave owners probably recited the Declaration of Independence's 'All men are created equal' hundreds of times. Parroting words does no good. Jesus isn't creating parrots, but pray-ers. - John Onwuchekwa

For Our Mission

We are committed to doing 3 things: Worshipping, Serving, and Growing.

- One opportunity to Grow is exposure to people whose views differ from our own. This can feel quite threatening. Do such situations arise naturally and regularly for you?
- Pray that Summerside ministries will help us put down deep roots into the truth as an anchor for our souls.
- Pray that we will be able to communicate in ways that combine truth and grace.

For Our World

- Perhaps you would agree with the cartoon tag line "My desire to be well-informed is currently at odds with my desire to be sane."
- Nevertheless, check out the International Justice Mission web site <http://www.ijm.org/>

"Be joyful in hope, patient in affliction, faithful in prayer." – Romans 12:12

For Our Congregation

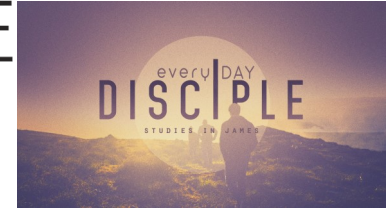

- **Nancy Toms** passed away last Thursday after a brief struggle with cancer. Please pray for Joan Allen (Nancy's mother) and Nancy's children Katelynn and Michael;
- **Dana Orchard** continues to recover from hip replacement surgery;
- **Hilda Honselaar** continues to recover from knee surgery;

APPLYING

It's one thing to hear God's Word, it's another to apply it! Answering the questions on your own before your group meets will help you be fully engaged in the

Community Group Questions

1. If you think about the people in your life, what kind of suffering do they experience the most? (like physical, emotional, psychological, relational, spiritual?)
2. How do most people you know cope with the suffering in this life?
3. Can you think of times you have responded poorly to suffering? Can you think of times you have responded properly to suffering?
4. How has this week's message changed the way you think about suffering?
5. Talk about what it means to live with integrity when you are enduring suffering.

REMEMBERING

Memorizing is one of the best ways of making truth stick. You can memorize something if you repeat it enough times. Try reading the verse 5 times a day until it sticks! Choose a part of it for your kids if needed.

"You too, be patient and stand firm,
because the Lord's coming is near."

James 5:8^(NIV)
