SERMON TITLE: Why We Plant Churches

SPEAKER: Pastor Peter Barnaby

SERMON TEXT: Various

DISCUSSION QUESTIONS:

1. Knowing that it was God's original intention for mankind to fill creation and reflect His glory, how do you think Christians can fulfill that role now, both as individuals and as a church?
2. In recent months, have you found yourself more lamenting the limitations brought about by COVID-19 or seeking and responding to new places God may be inviting you into?
3. John Piper says: "Missions exist because worship does not". What are some places in your neighbourhood and city where you feel God's presence and glory need to be recognized? Spend some time praying as a community group for these places. How do you feel God leading you to be an active participant in His mission in those places?

PRAYER FOR OUR PEOPLE:

- Congratulations to Mark and Katie Partridge on the birth of their second child, a son. Caleb was born on August 17 at 8lbs, 5 oz.;
- Hazel Berman had a bad fall at home this past Sunday. She is in the hospital with a split lip, a cracked pelvis, and a bleed in her skull. The doctor doesn't think surgery will be necessary. A CT scan will be done to monitor the bleed;
- Naomi Baribeau was injured when her horse kicked her off and then landed on her. She had surgery on Sunday for a broken leg and has other injuries;
- Thank you for your continued prayer for Lloyd Weiss for complete healing of his leg and kidney after the blood clots nearly took both.
