SERMON TITLE: Making Prayer a Habit

SPEAKER: Pastor Mark Cuthbert

SERMON TEXT: Various

DISCUSSION QUESTIONS:

1. As you think of your own struggles with prayer, which issue has been the biggest problem: Having a wrong view of God - or - Having a wrong view of yourself?
2. How can you work at correcting your perception of God and self to improve your prayer life?
3. Have you identified a time, a place, and a pattern to make prayer a habit?

PRAYER FOR OUR PEOPLE:

- Thelma Butt passed away on Wednesday, October 28 after a health issue. Please pray for Walter and their family as they grieve their loss. Because of COVID-19 restrictions, there will be a private funeral service at the funeral home;
- Herman Meyer is back in the hospital. The doctors are doing more tests in an effort to determine the root cause of all of his health struggles. Please pray for Dorothy, as well, that she will be encouraged and get the rest she needs as she cares for Herman;
- Sherry Freeman had a TIA (mini stroke) recently while home recovering from her surgery last month.
