

# SUMMERSIDE COMMUNITY CHURCH

Everyday Disciples who make Disciples Every Day

## **WORSHIP GUIDE**

**DATE:** December 13, 2020

**SERMON TITLE:** Behold the Saviour Comes: To Bring Peace

**SPEAKER:** Pastor Mark Cuthbert

**SERMON TEXT:** Various References

### **DISCUSSION QUESTIONS:**

1. What was the most important thing you learned from this week's sermon?
2. Review the meaning of "Shalom" and talk about the ways our world shows that they have an inward longing for "Shalom".
3. Give each person in your group the opportunity to identify one of their favourite physical aspects of the Christmas season, and talk about how that can point our thoughts towards Jesus and what he has provided for us.
4. Take time to share how each person will be celebrating Christmas, then take time to pray that we will keep our focus on our Prince of Peace.

### **PRAYER FOR OUR PEOPLE:**

- Lloyd Weiss is undergoing transplant tests and an assessment for another kidney transplant. Please pray that: these results would give him the go ahead for this second transplant, and for his gradual transition back to work;
- Larry Urquhart continues to recover and rehab at Parkwood Hospital after his surgery for a broken leg and shoulder. He will remain for at least another week;
- Betty Cross had a phone appointment with a liver specialist who indicated that surgery would be best. They would be looking at removing 10% of her liver and the entire gall bladder. Please pray that the surgery (when scheduled) would go well and that the results from her recent MRI would be favourable.
