SPEAKER: Dr. Deven K. MacDonald

SERMON TEXT: Selected Scripture

DISCUSSION QUESTIONS:

1. What struggle, hardship, or pain have you walked through that has helped you be the person you are today?
2. Why is it so important to know the "who" (God) when we ask "why"? Or to put it another way, why is it so important to know God's character when we don't understand the works of his hand?
3. How did God enter into our suffering and save us from eternal suffering?

PRAYER FOR OUR PEOPLE:

- Maria Balger broke her ankle recently. Please pray for a good recovery and that she can soon be up and around;
- Bill Legouffe continues to recover at home from prostate surgery. Please pray that the final pathology report comes back clean;
