

SUMMERSIDE COMMUNITY CHURCH

Everyday Disciples who make Disciples Every Day

WORSHIP GUIDE

DATE: February 13, 2022

SERMON TITLE: Sermon on the Mount: Live for What Lasts

SPEAKER: Dr. Deven K. MacDonald

SERMON TEXT: Matthew 6:19-21

DISCUSSION QUESTIONS:

1. Think about the "Marshmallow" experiment that Pastor Deven referenced. Do you ever struggle to delay gratification in the present for something better in the future? If so, in what ways?
2. Why do you think that, despite knowing better, we tend to spend so much time and resources in accumulating "stuff" that really doesn't endure or last forever?
3. What in your life, that you may overlook, is still investing in eternity? Think carefully and be encouraged. God may be working in you and through you more than you know.
