SERMON TITLE: Sermon on the Mount: Judging Well Without Being Judgmental

SPEAKER: Dr. Deven K. MacDonald

SERMON TEXT: Matthew 7:1-6

DISCUSSION QUESTIONS:

1. What is the difference between wise evaluation and discernment (judging) - and- and being critically and self-righteously judgmental?
2. Why do you think that we're so prone to notice other people's faults instead of our own? Why do you think we notice the "speck" in people's eyes, and forget about the plank in our own? What type of sin, person, or issue are you prone to being judgmental towards?
3. Do you think you struggle more with lacking discernment or in being overtly critical in your judgments?

PRAYER FOR OUR PEOPLE:

- For Ken Champ who is struggling with both COVID and a long history of heart issues. His wife, Sandra, reports that he appears to be slowly doing better and his oxygen level is slowly improving.
