SERMON TITLE: Forgetting to be Thankful

SPEAKER: Pastor Mark Cuthbert

SERMON TEXT: Deuteronomy 8

PRAYER FOR OUR PEOPLE:

- For Betty Cross who had an operation on September 22 to remove a brain tumour. She came through the operation well, the doctors believe they got the whole tumour, and she is in good spirits. She may have some mobility issues, which are to be expected after this type of surgery. Please pray for her continued recovery and for Don, her husband, as he cares for her. They would welcome phone calls from their church family.
- Neil Honselaar continues to recover at home after kidney and heart failure. He is still very weak but is doing better than he was. Please continue to pray for Neil and Hilda;
- For David Telfer as he continues to recover at home from double-bypass surgery;
