

SUMMERSIDE COMMUNITY CHURCH

Everyday Disciples who make Disciples Every Day

WORSHIP GUIDE

DATE: February 19, 2023

SERMON TITLE: By Faith: Seeing the Unseen

SPEAKER: Pastor Mark Cuthbert

SERMON TEXT: Hebrews 11:13-16

PRAYER FOR OUR PEOPLE:

- Dana Orchard continues to wait for a kidney transplant. It was thought there would be a kidney available this past week; however that didn't work out, so she remains at the top of the list;
- For Betty Cross who continues to struggle with spreading cancer. She had radiation a few Wednesdays ago on the tiny spot in her head. It's less than ½ cm in size and the doctors want to radiate these spots while they are still quite small. She hasn't had an MRI since the one done near the beginning of the year, so they don't have an update on the spots found in her lungs. No further radiation treatment is scheduled at this point. She isn't experiencing any pain but she is tired and still has a cough. Betty is still on chemo but there is no nausea. Both Betty and Don are very thankful for the continued prayer support of their church family.
