SERMON TEXT: Hebrews 11:30-31

PRAYER FOR OUR PEOPLE:

- For Judy Lediet who was diagnosed with cancer at the end of February. She is scheduled for a hysterectomy at some point in April. The surgeon hopes that this surgery will get all of the cancer;
- For Betty Cross who continues to struggle with spreading cancer. She is still dealing with shortness of breath, coughing (this cough has been ongoing for several months now), weakness, and fatigue.
