Everyday Disciples who make Disciples Every Day

## **WORSHIP GUIDE**

**DATE:** April 9, 2023

**SERMON TITLE:** The Event that Redefined History

**SPEAKER:** Pastor Mark Cuthbert

**SERMON TEXT:** Various Scripture References

### **PRAYER FOR OUR PEOPLE:**

- For Ellen Monteith and Arn Brown as they mourn the death of Ellen's sister, Bonnie Monteith, on March 29;
- For Ken Champ who had an angiogram/angioplasty this past Thursday. He is sore but is doing well;
- For Josef Balger who has been diagnosed with cancer on his lungs. Because it's located in a bad spot (up on the left side, near the heart), surgery isn't an option. He will be scheduled for radiation and chemotherapy. Please also pray for his wife, Maria, who is struggling with bad pain in her back due to arthritis;
- For Judy Lediet who was diagnosed with cancer at the end of February. She is scheduled for a hysterectomy at some point in April. The surgeon hopes that this surgery will get all of the cancer;
- For Betty Cross who continues to struggle with spreading cancer. She is still dealing with shortness of breath, coughing (this cough has been ongoing for several months now), weakness, and fatigue.
