

SUMMERSIDE COMMUNITY CHURCH

Everyday Disciples who make Disciples Every Day

WORSHIP GUIDE

DATE: May 7, 2023

SERMON TITLE: Death...Then What? Your New Home

SPEAKER: Pastor Mark Cuthbert

SERMON TEXT: Revelation 21-22

PRAYER FOR OUR PEOPLE:

- Dana Orchard had her kidney transplant on Wednesday afternoon. This came up very quickly! Please pray for her recovery and that her body will accept the new kidney;
- Josef Balger was scheduled to begin both chemo and radiation, on his cancer, on May 3 (this past Wednesday). The doctors said that he is strong enough to begin those now and to do both at once. He will have radiation treatments every day for 6 weeks. Maria had been struggling with bad pain in her back due to arthritis, but she said that she is now feeling much better. They want to thank their church family for your continued prayer support and encouragement. It means so much to them;
- For Judy Lediet who was diagnosed with Grade 2 (not Stage 2) endometrial cancer. She had a hysterectomy on April 26 and is now recovering. The surgery went well, but she is understandably sore. She will see her surgeon on May 16 for the results of the surgery;
- For Betty Cross who continues to struggle with spreading cancer.
