PRAYER FOR OUR PEOPLE:

- Larry Urquhart passed away very early in the morning on Thursday, May 18. Please be in prayer for Janet, and the rest of the family, as they mourn his passing. There will be a Visitation/Reception, here at the church, next Tuesday, May 23 @1pm, followed by a private family burial service;
- For Dana Orchard as she is now home and continues to recover from her recent kidney transplant;
- Josef Balger began both chemo and radiation, on his cancer, recently. The doctors said that he is strong enough to begin those now and to do both at once. He will have radiation treatments every day for a total of 6 weeks;
- For Judy Lediet who was diagnosed with Grade 2 (not Stage 2) endometrial cancer. She had a hysterectomy on April 26 and is now recovering. The surgery went well, but she is understandably sore. She will see her surgeon on May 16 for the results of the surgery;
- For Betty Cross who continues to struggle with spreading cancer.
