PRAYER FOR OUR PEOPLE:

- Josef Balger is now done his radiation treatments. He is scheduled to see his family doctor, at the end of July, to find out if the treatments have been effective against his cancer;
- For Judy Lediet who is receiving daily radiation treatments (a total of 25) which began on June 8. Please pray for her during this time and for the possible side effects of the radiation, of which she is very concerned;
- For Betty Cross who is now in palliative care
