SERMON TITLE: Lessons on Facing Rejection

SPEAKER: Pastor Luke Cuthbert

SERMON TEXT: Mark 6:14-29

PRAYER FOR OUR PEOPLE:

- Lucille MacDonald has a tumour on her kidney. Surgery will be scheduled;
- Ron Berman is back home after having to return to the hospital with a leak in his bowel. He had also developed heart arrhythmia since the bowel surgery. They have him on meds currently, hoping that will clear up the bowel leak, but he may need a second surgery;
- Wilf Damstra has prostate cancer – he was diagnosed several years ago. However, the cancer has worsened. It appears that there are nodules in or on his lungs for which he will need another in-depth CAT scan as soon as possible. He is also waiting for an appointment with an oncologist to see what the next steps will be as far as treatment is concerned. The good news is that there is no cancer in his bones. Praise God!
- Lloyd Weiss remains on the waiting list for a kidney transplant
