PRAYER FOR OUR PEOPLE:

- Lucille MacDonald has a tumour on her kidney. Surgery will be scheduled;
- Ron Berman is back home, and continuing to recover, after having to return to the hospital with a leak in his bowel. He had also developed heart arrhythmia since the bowel surgery. They have him on meds currently, hoping that will clear up the bowel leak, but he may need a second surgery;
- Wilf Damstra has prostate cancer – he was diagnosed several years ago. However, the cancer has worsened as there are now nodules in or on his lungs. He will receive chemo-related hormone therapy for 30 days. Then, he will need to wait until the CAT-scan is done for his lungs before he receives any radiation treatment;
- Lloyd Weiss remains on the waiting list for a kidney transplant
