PRAYER FOR OUR PEOPLE:

- Wayde Foss (one of our custodians) was diagnosed with melanoma in his lymph nodes and in his leg. He had surgery a few weeks ago and is recovering well but will be off work for a while. His doctor has advised him that there are treatments still to come;
- Wilf Damstra was scheduled for a biopsy on August 13; however, he was not advised by his doctor to not take his current medications before the biopsy, so that has now been rescheduled to September 3;
- Lloyd Weiss remains on the waiting list for a kidney transplant
