

# SUMMERSIDE COMMUNITY CHURCH

Everyday Disciples who make Disciples Every Day

## **WORSHIP GUIDE**

**DATE:** March 29, 2026

**SERMON TITLE:** On the Road to Jerusalem

**SPEAKER:** Pastor Luke

**SERMON TEXT:** Luke 19:28-44

### **PRAYER FOR OUR PEOPLE:**

- For Lloyd Weiss as he continues to recover in the hospital after having had his right leg amputated. There was a recent scare; however, he is now out of the ICU. He has 3 hematomas on his left hip and thigh, which are interfering with him doing any movement / weight bearing with that leg. Holly advised that they are making some renovations in their home to accommodate Lloyd when he returns - walk-in bath and a chair lift. He will be fitted with a prosthetic so it's a long road, but he feels very supported by his church family and thanks everyone for their continued prayers;
- Brenda Synesael is on pain medication for her ankle and that is helping. She is to continue with this medication until she sees her orthopedic surgeon on June 17, 2026.
