SERMON TEXT: Matthew 18:21-35

PRAYER FOR OUR PEOPLE:

- Manasa Kondra (wife of Daniel Chris) delivered their first child, a boy. Ethan Daniel Christopher was born on July 6. He arrived about a month early and is currently in the NICU at Vic. Hospital. Ethan has been improving very well overall, and his feeds are now going well. The treatment for his adrenal insufficiency is working, and the doctors are still trying to determine the underlying cause. Daniel says, *"We have so much to thank God for, and we're grateful for His faithfulness"*. Please continue praying that, by God's grace, Ethan's adrenal glands will begin functioning normally. Manasa has fully recovered from the delivery and is doing well. They would appreciate continued prayer that her milk supply continues to increase. Daniel has come down with the flu, so he would appreciate your prayers for a quick recovery.
- For Lloyd Weiss and the continued healing of his left leg.
