PRAYER FOR OUR PEOPLE:

- For Xander Klassen (the young man who lives with Doug & Deborah Squire) as he continues to recover, at home, after being in the hospital for treatment for serious head injuries, broken bones in his hands and foot, brain bleeds, and a concussion, after he was attacked while out walking;
- Daniel Chris and Manasa Kondra praise God that Ethan is growing well and has gained good weight. His adrenal condition is lifelong, but they are learning to manage it and trusting God throughout. They are so thankful to their church family for remembering them in prayer and for the many ways they have been supported;
- For Lloyd Weiss and the continued healing of his left leg. He was to attend an assessment at Parkwood Hospital this past Thursday to determine if that leg is viable for a prosthetic and further treatment. He also has a pre-cancerous growth that needs to be investigated, soon, by a dermatologist.
